17.402 Limitations.

- (a) Leader company contracting is to be used only when-
- (1) The leader company has the necessary production know-how and is able to furnish required assistance to the follower(s);
- (2) No other source can meet the Government's requirements without the assistance of a leader company;
- (3) The assistance required of the leader company is limited to that which is essential to enable the follower(s) to produce the items; and
- (4) Its use is authorized in accordance with agency procedures.
- (b) When leader company *contracting* is used, the Government *shall* reserve the right to approve subcontracts between the leader company and the follower(s).
