17.603 Limitations.

- (a) Management and operating contracts shall not be authorized for-
- (1) Functions involving the direction, supervision, or control of Government personnel, except for supervision incidental to training;
- (2) Functions involving the exercise of police or regulatory powers in the name of the Government, other than guard or plant protection services;
- (3) Functions of determining basic Government policies;
- (4) Day-to-day staff or management functions of the agency or of any of its elements; or
- (5) Functions that can more properly be accomplished in accordance with <u>subpart 45.3</u>, Authorizing the Use and Rental of Government Property.
- (b) Since issuance of an authorization under $\underline{17.602}$ (a) is deemed sufficient proof of compliance with paragraph (a) immediately above, nothing in paragraph (a) immediately above *shall* affect the validity or legality of such an authorization.
- (c) For use of project labor agreements, see subpart 22.5.
