## 22.406-4 Apprentices and trainees.

- (a) The contracting officer shall review the contractor's employment and payment records of apprentices and trainees made available pursuant to the clause at 52.222-8, Payrolls and Basic Records, to ensure that the contractor has complied with the clause at 52.222-9, Apprentices and Trainees.
- (b) If a contractor has classified employees as *apprentices*, *trainees*, or helpers without complying with the requirements of the clause at <u>52.222-9</u>, the *contracting officer shall* reject the classification and require the contractor to pay the affected employees at the rates applicable to the classification of the work actually performed.
