28.102-2 Amount required.

(a) Definition. As used in this subsection-

Original contract price means the award price of the contract; or, for requirements contracts, the price payable for the estimated total quantity; or, for indefinite-quantity contracts, the price payable for the specified minimum quantity. *Original contract price* does not include the price of any *options*, except those *options* exercised at the time of contract award.

(b) Contracts exceeding \$150,000-

(1) *Performance bonds*. Unless the *contracting officer* determines that a lesser amount is adequate for the protection of the Government, the penal amount of performance *bonds must* equal-

(i) 100 percent of the original contract price; and

(ii) If the contract price increases, an additional amount equal to 100 percent of the increase.

(2) Payment bonds.

(i) Unless the *contracting officer* makes a written determination supported by specific findings that a payment *bond* in this amount is impractical, the amount of the payment *bond must* equal-

(A) 100 percent of the original contract price; and

(B) If the contract price increases, an additional amount equal to 100 percent of the increase.

(ii) The amount of the payment *bond must* be no less than the amount of the performance *bond*.

(c) *Contracts exceeding* \$35,000 *but not exceeding* \$150,000. Unless the *contracting officer* determines that a lesser amount is adequate for the protection of the Government, the penal amount of the payment *bond* or the amount of alternative payment protection *must* equal-

(1) 100 percent of the original contract price; and

(2) If the contract price increases, an additional amount equal to 100 percent of the increase.

(d) *Securing additional payment protection*. If the contract price increases, the Government *must* secure any needed additional protection by directing the contractor to-

(1) Increase the *penal sum* of the existing *bond*;

- (2) Obtain an additional *bond*; or
- (3) Furnish additional alternative payment protection.

(e) *Reducing amounts*. The *contracting officer may* reduce the amount of security to support a *bond*, subject to the conditions of <u>28.203-3</u>(c) or <u>28.204</u>(b).
