

33.213 Obligation to continue performance.

(a) In general, before passage of the Disputes statute, the obligation to continue performance applied only to *claims* arising under a contract. However, the Disputes statute, at [41 U.S.C. 7103\(g\)](#), authorizes agencies to require a contractor to continue contract performance in accordance with the *contracting officer's* decision pending a final resolution of any *claim* arising under, or relating to, the contract. (A *claim* arising under a contract is a *claim* that can be resolved under a *contract clause*, other than the clause at [52.233-1](#), Disputes, that provides for the relief sought by the claimant; however, relief for such *claim* can also be sought under the clause at [52.233-1](#). A *claim* relating to a contract is a *claim* that cannot be resolved under a *contract clause* other than the clause at [52.233-1](#).) This distinction is recognized by the clause with its Alternate I (see [33.215](#)).

(b) In all contracts that include the clause at [52.233-1](#), Disputes, with its Alternate I, in the event of a dispute not arising under, but relating to, the contract, the *contracting officer shall* consider providing, through appropriate agency procedures, financing of the continued performance; provided, that the Government's interest is properly secured.
