37.301 Labor standards.

Contracts for dismantling, demolition, or removal of improvements are subject to either <u>41 U.S.C.</u> <u>chapter 67</u>, Service Contract Labor Standards, or <u>40 U.S.C.</u> <u>chapter 31</u>, subchapter IV, Wage Rate Requirements (*Construction*). If the contract is solely for dismantling, demolition, or removal of improvements, the Service Contract Labor Standards statute applies unless further work which will result in the *construction*, alteration, or repair of a public building or public work at that location is contemplated. If such further *construction* work is intended, even though by separate contract, then the *Construction* Wage Rate Requirements statute applies to the contract for dismantling, demolition, or removal.
