44.305-2 Notification.

- (a) The notification granting system approval shall include-
- (1) Identification of the plant or plants covered by the approval;
- (2) The effective date of approval; and
- (3) A statement that system approval-
- (i) Applies to all Federal Government contracts at that plant to the extent that cross-servicing arrangements exist;
- (ii) Waives the contractual requirement for advance notification in fixed-price contracts, but not for cost-reimbursement contracts;
- (iii) Waives the contractual requirement for *consent to subcontracts* in fixed-price contracts and for specified subcontracts in cost-reimbursement contracts but not for those subcontracts, if any, selected for special surveillance and identified in the contract Schedule; and
- (iv) May be withdrawn at any time at the ACO's discretion.
- (b) In exceptional circumstances, consent to certain subcontracts or classes of subcontracts *may* be required even though the contractor's purchasing system has been approved. The system approval notification *shall* identify the class or classes of subcontracts requiring consent. Reasons for selecting the subcontracts include the fact that a CPSR or continuing surveillance has revealed sufficient weaknesses in a particular area of subcontracting to warrant special attention by the ACO.
- (c) When recommendations are made for improvement of an approved system, the contractor shall be requested to reply within 15 days with a position regarding the recommendations.
