## **49.302 Discontinuance of vouchers.**

(a) When the contract has been completely terminated, the contractor *shall* not use <u>Standard Form 1034</u> (Public Voucher for Purchases and Services Other than Personal) after the last *day* of the sixth month following the month in which the termination is effective. The contractor *may* elect to stop using vouchers at any time during the 6-month period. When the contractor has vouchered out all costs within the 6-month period, a proposal for fee, if any, *may* be submitted on <u>SF 1437</u> (see <u>49.602-1</u>) or by letter appropriately certified. The contractor *must* submit a substantiated proposal for fee to the TCO within 1 year from the *effective date of termination*, unless the period is extended by the TCO. When the use of vouchers is discontinued, the contractor *shall* submit all unvouchered costs and the proposed fee, if any, as specified in <u>49.303</u>.

(b) When the contract is partially terminated, 49.304 shall apply.
