49.402-7 Other damages.

(a) If the *contracting officer* terminates a contract for default or follows a course of action instead of *termination for default* (see 49.402-4), the *contracting officer* promptly *must* assess and demand any liquidated damages to which the Government is entitled under the contract. Under the *contract clause* at 52.211-11, these damages are in addition to any excess repurchase costs.

(b) If the Government has suffered any other ascertainable damages, including administrative costs, as a result of the contractor's default, the *contracting officer must*, on the basis of legal advice, take appropriate action as prescribed in <u>subpart 32.6</u> to assert the Government's demand for the damages.
