246.408-70 Subsistence.

- (a) The Surgeons General of the military departments are responsible for—
- (1) Acceptance criteria;
- (2) Technical requirements; and
- (3) Inspection procedures needed to assure wholesomeness of foods.
- (b) The contracting office may designate any Federal activity, capable of assuring wholesomeness and quality in food, to perform quality assurance for subsistence contract items. The designation may—
- (1) Include medical service personnel of the military departments; and
- (2) Be on a reimbursable basis.
