5132.607-2 Deferment of collection.

(b) When a request for deferment of a contract debt is received from a contractor, the Contracting officer must notify the payment office and advise the payment office identified in the contract that the contractor's request is under consideration IAW in accordance with FAR <u>32.607-2</u>(b). See AFARS PGI 5132.607-2(c)(2) for further instruction.
