## 1845.604 Restrictions on purchase or retention of contractor inventory.

- (1) No contractor may sell contractor inventory to persons known by it to be NASA or DOD personnel who have been engaged in administering or terminating NASA contracts.
- (2)(i) The contractor's or subcontractor's authority to approve the sale, purchase, or retention of Government property on a contract which is excess to needs after Government reutilization screening at less than cost by a subcontractor, and the subcontractor's authority to sell, purchase, or retain such property at less than cost with the approval of the contractor or next higher-tier subcontractor does not include authority to approve—
- (A) A sale by a subcontractor to the contractor, the next higher-tier subcontractor, or their affiliates; or
- (B) A sale, purchase, or retention by a subcontractor affiliated with the contractor or next higher-tier subcontractor.
- (ii) Each excluded sale, purchase, or retention requires the written approval of the plant clearance officer.
