1.602-2-91 Pricing Oversight Program.

- (a) The Pricing Oversight Program implements consistent, process-driven verification and/or statistical sampling validation to ensure procuring organizations use acceptable cost or pricing analysis techniques. It promotes proven methodologies in acquisition strategy planning, evaluation, and award.
- (b) For procedures associated with the Pricing Oversight Program, see <u>All DLA Official Issuances</u> (https://issue-p.dla.mil/Pages/ViewAllIssuances.aspx). Select "Issuance #", and scroll to DLAM 5025.08, Pricing Oversight Program.
