PGI 243.204-71 Certification of requests for equitable adjustment.

(b) For example, a request for equitable adjustment that involves both an increase of 100,000 and a decrease of 105,000 has an absolute value of 205,000 (100,000 + 105,000, regardless of whether the amounts are plus or minus), which exceeds the simplified acquisition threshold.
