

506.304 Approval of the justification.

(a) *Proposing a class justification.* If you determine that the facts supporting other than full and open competition would be present in other GSA contracting activities, you should propose a class justification. Recommend through appropriate channels that the Senior Procurement Executive approve a class justification for all GSA contracting activities. This does not apply to justifications based on the authority of [41 U.S.C. 253\(c\)\(7\)](#), which does not permit class justifications.

(b) *Justifications based on [41 U.S.C.253\(c\)\(7\)](#).* For a justification based on the authority of [41 U.S.C. 253\(c\)\(7\)](#) (see FAR 6.302-7), submit the justification for the Administrator’s approval through the SPE.

(c) *Justifications for contract actions subject to the Agreement on Government Procurement.* When you acquire eligible products without full and open competition using the authority in FAR 6.302-3(a)(2)(i) or 6.302-7, furnish a copy of the approved justification to the SPE at spe.request@gsa.gov. The SPE will transmit the justification to the U.S. Trade Representative.

(d) *Approval for Justifications.* The contracting officer shall obtain approval for justifications for other than full and open competition as required by the approval thresholds in paragraph (e)

(1) Contracting Activity Advocate for Competition approval is required for all justifications for other than full and open competition over \$750K.

(2) The contracting officer shall obtain approvals as required by the Service prior to the SPE, as applicable.

(e) *Approval Thresholds.* The following are the minimum approval requirements for justifications. The HCA may further limit approval authority for designated officials or impose lower thresholds. Thresholds include all options.
