Subpart 536.5 - Contract Clauses

Parent topic: Part 536 - Construction and Architect-Engineer Contracts

536.506 Superintendence by the contractor.

Insert the clause at <u>552.236-6</u>, Superintendence by the Contractor, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated.

536.511 Use and possession prior to completion.

Insert the clause at <u>552.236-11</u>, Use and Possession Prior to Completion, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated.

536.515 Schedules for construction contracts.

Insert the clause at <u>552.236-15</u>, Schedules for Construction Contracts, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated. Use the clause-

- (a) With its Alternate I when the contract amount is expected to exceed the simplified acquisition threshold and a design-bid-build project delivery method will be followed; or
- (b) With its Alternate II when the contract amount is expected to exceed the simplified acquisition threshold and a design-build project delivery method will be followed.
- (c) With its Alternate III when the contract amount is expected to exceed the simplified acquisition threshold and a construction-manager-as-constructor project delivery method will be followed.

536.521 Specifications and drawings for construction.

Insert the clause at <u>552.236-21</u>, Specifications and Drawings for Construction, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated. Use the clause with its Alternate I when a design-build project delivery method will be followed—

- (a) With its Alternate I when a design-build project delivery method will be followed.
- (b) With its Alternate II when a construction-manager-as-constructor project delivery method will be followed.

536.570 Authorities and limitations.

Insert the clause at <u>552.236-70</u>, Authorities and Limitations, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated.

536.571 Contractor responsibilities.

Insert the clause at <u>552.236-71</u>, Contractor Responsibilities, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated. Use the clause:

- (a) With its Alternate I when a design-build project delivery method will be followed.
- (b) With its Alternate II when a construction-manager-as-constructor project delivery method will be followed.

536.572 Submittals.

Insert the clause at <u>552.236-72</u>, Submittals, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated. Use the clause with its Alternate I when a design-build project delivery method will be followed.

536.573 Subcontracts.

Insert the clause at <u>552.236-73</u>, Subcontracts, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated.
