5810.002 Procedures

- (b)(2)(ix) The contracting officer shall document and attach the results of the SBA Dynamic Small Business Search tool at http://dsbs.sba.gov/dsbs/search/dsp_dsbs.cfm to the Market Research Report and forward with the DD Form 2579 to OSBP for review. Assistance is available from the OSBP when seeking potential sources.
- (x) Post procurement notices to Contract Opportunities including SSNs or RFIs. (See DARS 5819.202 (S-93)(2)(3)).
- (A) A RFI is used to develop requirements and make decisions regarding acquisition strategies when limited or no acquisition history is available and when industry input is required. When an RFI is planned, allow for the following:
- (1) Posted on Contract Opportunities for at least 21 business days to ensure maximum participation by small business concerns.
- (2) Use the approved DISA RFI template at <u>DARS PGI</u> 5810.001(b).
- (B) A SSN is used when there is a known requirement with a previous procurement history, or a well-defined new requirement. When a SSN is planned, allow for the following:
- (1) Posted on Contract Opportunities for a minimum of 14 calendar days to ensure maximum feedback.
- (2) Use the approved DISA SSN template at <u>DARS PGI</u> 5810.001(b).
- (S-90) Except for the issuance of a SSN or RFI, market research is primarily the responsibility of the program office or the requiring activity. Market research documentation must be complete, unbiased, and supported by facts, not more than 12 months old (for award of contracts other than task or delivery orders) and provided as part of the requirements package. Include the market research report in the contract file.
- (S-91) Market Research Report (MRR) templates are located in <u>DARS PGI</u> 5810.002(S-91).
