### **3.802 Statutory prohibition and requirement.**

(a) [31 U.S.C.1352](#) prohibits a recipient of a Federal contract, grant, loan, or cooperative agreement from using appropriated funds to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal actions.

(1) For purposes of this subpart the term "appropriated funds" does not include profit or fee from a covered Federal action.

(2) To the extent a person can demonstrate that the person has sufficient monies, other than Federal

appropriated funds, the Government shall assume that these other monies were spent for any influencing activities that would be unallowable if paid for with Federal appropriated funds.

(b) [31 U.S.C.1352](#) also requires offerors to furnish a declaration consisting of both a certification and a disclosure, with periodic updates of the disclosure after contract award. These requirements are contained in the provision at [52.203-11](#), Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions, and the clause at [52.203-12](#), Limitation on Payments to Influence Certain Federal Transactions.

### **3.803 Exceptions.**

(a) The prohibition of paragraph [3.802\(a\)](#) does not apply under the following conditions:

(1) *Agency and legislative liaison by own employees.*

(i) Payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action if the payment is for agency and legislative liaison activities not directly related to a covered Federal action. For purposes of this paragraph, providing any information specifically requested by an agency or Congress is permitted at any time.

(ii) Participating with an agency in discussions that are not related to a specific solicitation for any covered Federal action, but that concern-

(A) The qualities and characteristics (including individual demonstrations) of the person's products or services, conditions or terms of sale, and service capabilities; or

(B) The application or adaptation of the person's products or services for an agency's use.

(iii) Providing prior to formal solicitation of any covered Federal action any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action.

(iv) Participating in technical discussions regarding the preparation of an unsolicited proposal prior to its official submission.

(v) Making capability presentations prior to formal solicitation of any covered Federal action when seeking an award from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95-507, and subsequent amendments.

(2) *Professional and technical services.*

(i) Payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action;

(ii) Any reasonable payment to a person, other than an officer or employee of a person requesting or

receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action, or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(iii) As used in paragraph (a)(2) of this section "professional and technical services" are limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional or a technical person are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another, are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(iv) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation and any other requirements in the actual award documents.

(b) Only those communications and services expressly authorized by paragraph (a) of this section are permitted.

(c) The disclosure requirements of paragraph [3.802\(b\)](#) do not apply with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

### **3.804 Policy.**

The contracting officer shall obtain certifications and disclosures as required by the provision at [52.203-11](#), Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions, prior to the award of any contract exceeding \$150,000.

### **3.805 Exemption.**

The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibitions of this subpart whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of the exemption to Congress immediately after making the determination.

### **3.806 Processing suspected violations.**

The contracting officer shall report suspected violations of the requirements of 31 U.S.C.1352 in accordance with agency procedures.

### **3.807 Civil penalties.**

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C.3803 (except subsection(c)), 3804-3808, and 3812, insofar as the provisions therein are not inconsistent with the requirements of this subpart.

### **3.808 Solicitation provision and contract clause.**

(a) Insert the provision at 52.203-11, Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions, in solicitations expected to exceed \$150,000.

(b) Insert the clause at 52.203-12, Limitation on Payments to Influence Certain Federal Transactions, in solicitations and contracts expected to exceed \$150,000.
