

4.1200 Scope.

This subpart prescribes policies and procedures for requiring submission and maintenance of representations and certifications via the System for Award Management (SAM) to-

- (a) Eliminate the administrative burden for contractors of submitting the same information to various contracting offices;
- (b) Establish a common source for this information to procurement offices across the Government; and
- (c) Incorporate by reference the contractor's representations and certifications in the awarded contract.
