DEVIATION 2019-01

MEMORANDUM FOR PROCLTR DISTRIBUTION LIST

SUBJECT: Class Deviation from Defense Federal Acquisition Regulation Supplement (DFARS)  
Procedures, Guidance and Information (PGI) 253.219-70, DD Form 2579, Small  
Business Coordination Record

This is a class deviation from DFARS PGI 253.219-70, which provides instructions for completion of the DD Form 2579, Small Business Coordination Record, dated August 2015. DLA's automated systems do not currently use the August 2015 version of DD Form 2579. A systems change to incorporate the updated form is currently in development. However, completion of the required systems change is not anticipated before late November 2018. Therefore, I hereby grant a class deviation from the use of the August 2015 version of DD Form 2579 and the associated instructions for its completion in DFARS PGI 253.219-70, and authorize continued use of the current system-generated DD Form 2579 for automated buys. For manual buys, contracting personnel shall manually complete and distribute the August 2015 version of the DD Form 2579. These requirements are incorporated in the DLAD as shown on the attached. This deviation supersedes DEVIATION 2018-01, which expires on December 10, 2018.

This deviation is issued pursuant to the authority delegated to me by DFARS 201.404(b)(ii). It is effective on December 11, 2018, and will remain in effect until January 31, 2019 or until implementation of the August 2015 version of DD Form 2579 in DLA's automated systems, whichever occurs first. The DLA Compliance, Policy and Pricing Division point of contact for this action is Ms. Phyllis Orange, J72, (571) 767-9691, DSN (392) 767-9691, or email: [phyllis.orange@dla.mil](mailto:phyllis.orange@dla.mil).
